Program Specification (2025-2026)

1. Basic Information

Program Title (According to what is stated in the bylaw):	Bachelor of Nursing Science Based on Credit Hours
Total number of credit hours/points of the program:	139 credit hours in addition to 2 mandatory hours for university requirements but not calculated in hours or marks
Number of academic years/levels (expected program duration):	Four levels of study consisting of (8 semesters) the main duration of the semester is 16 weeks.
Department (s) Participating (if any) in teaching the program:	All (6) Scientific Nursing Departments, (13) Medical Departments and (1) Supportive Department
Faculty:	Nursing
University:	Benha
Program majors/divisions/tracks/specialties in the final year (if any):	-----
Partnerships with other parties and the nature of each (if any):	-----
Name of the program coordinator (attach the assignment decision):	Prof /Dr: Vice Dean of Education and Students Affairs
Program Specification Approval Date:	16/7/2025
Council responsible for Program Specification Approval (Attach the Decision / Minutes):	Nursing Faculty Council

2. Program Aims (Brief description of the overall purpose the program)

- Preparing qualified nursing students with scientific competences, enhancing nursing students with effective professional communication & leadership skills to maintain a productive safe environment and providing holistic centered care for patient/client, individuals, families & communities to minimize risks, hazards and solving problems related to their future work. Preparing nurses adhering to the required professional ethics, morals and beliefs in the values of work proficiency, honesty, equity, sustainability and work in team spirit. Utilizing evidence-based nursing practice with information technology and the modern techniques used during providing nursing care.

Requirement Category/Type		Number of Courses	Number of Credit Hours	Percentage from the total number of hours
University Requirements*		1	2	0.0 %
Faculty/College Requirements (if applicable)		18	32	23.02 %
Program Requirements		43	105	75.54 %
Requirements of the majors/ divisions/ tracks/ specializations in the final year (if any)				
Other requirements	Field Training			
	Graduation Project	2	2	1.44%
	Mandatory training year		12	100.0%
	Other (to be mentioned)			
Total Compulsory Courses :- (1 University Requirement + 57 Compulsory Courses)		58	133	95.7%
Elective Courses		6	6	4.3 %
Total		64	139	100

*Community issues is a compulsory university requirement that is not included in the total credit hours or the overall GPA calculation.

3. Program Structure (Curriculum)

- Program courses according to the expected study plan

Academic Level	Semester	Course Code	Course Title	Course Type (Compulsory / Elective)	Requirement Category/ Type	Number of Credit Hours	Number of Weekly Hours

5. Teaching and Learning strategies/methods to achieve Program Outcomes:

1. Interactive lectures
2. E-learning
3. Blended learning
4. Practical training (Demonstration and re-demonstration)
5. Field training

7. Student Assessment strategies/methods to verify and ensure students' acquisition of Program Outcomes:

- 1- Practical training for practical courses, that include semester works, mid-term exam and periodic exams held during the semester.
2. Written, or practical exams held at the end of the semester.

8. Program Key Performance Indicators (if any)

No.	Performance Indicator	Target Level	Method	Measurement
1.				
2.				
3.
